Guaranteed Ride Home

When you take Metrobus or Metrorail to work, you are eligible to participate in the free Commuter Connection Guaranteed Ride Home Program.

The program will get you home in the event of a personal emergency or unscheduled overtime.

To register and to receive program details, call Commuter Connections at 1-800/745-RIDE.

(2/97)

Go ahead. Stay out late.

To coordinate with Metrorail's expanded hours on Friday and Saturday, Metrobus is extending its service as well. This pilot program will remain in effect through June 30, 2000.

Using this timetable

- ❏ Use the map to find the stops closest to where you will get on and off the bus.
- ❏ Select the schedule (weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ❏ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ❏ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ❏ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.
